Public Rmks: **Welcome to this one of a kind home on Lake Muskoka. This 7,000 sqft home shows off fine craftsmanship and attention to detail, with custom timber frame and beautiful ash floors throughout. An entertainer's dream, the layout of the main floor features multiple open-concept spaces for hosting family get-togethers, including a great room and Muskoka room, both with stone fireplaces and expansive views of the lake. The large gourmet kitchen has been finished with high end appliances, granite countertops and an oversized island, and features a generous pantry for extra storage. Wake up in the ultimate master suite, featuring a walk-out to a screened porch overlooking the lake and a custom walk-in closet. The master ensuite was thoughtfully designed with his and hers sinks, a makeup vanity, large soaker tub with fireplace, large walk in shower and water closet. The second floor has 4 spacious bedrooms and 2 bathrooms, as well as a large games room above the garage. The lower level offers additional entertaining space, as well as 2 bonus rooms for you to use as desired. This one of a kind estate is tucked far back from the road to create a private setting, with a paved driveway, 3 car garage, large carport and tennis/sports court. Outside, the sun drenched property has been extensively landscaped with flagstone steps down to the water. The large dock has plenty of space to spend sunny afternoons in the sun, and deep water off the dock for jumping in and cooling off. Take advantage of everything that living on Lake Muskoka offers and boat to various marinas, have dinner at the wharf in Gravenhurst, or cruise up to Port Carling for an afternoon of shopping and lakeside patios.
