Remarks/Directions

Client Rmks: **Beautiful custom country home tucked away in the Muskoka wilderness. This stunning 3400+ square foot 3 bed + den, 4 bath one of a kind home located in Huntsville fronts onto the fourth hole of the non-operational Penlake Farms Golf Course. Nestled in the forest, backing onto 120 acres of protected Muskoka Conservancy and situated on a cul-de-sac, this home is a stunning hidden gem that provides unlimited tranquility and serenity. With 6+ acres of land, this property offers a retreat-like experience with unbelievable privacy. In addition, this property also has an amazing bonus. With deeded water access to a shared dock on Peninsula Lake (in common with two other properties), you are a short walk away from enjoying all the swimming, boating, fishing a recreational cottage property has to offer. With this property, you truly get the best of both worlds in terms of residential and cottage living! This country home lends itself to convenience as it is close to year round amenities, Deerhurst Resort, doorsteps away to Algonquin Provincial Park, and Limberlost Trails. There is no shortage of activities available for the whole family. 1259 Golf Course Road is waiting for you!**
