Remarks/Directions

Client Rmks: **Set along the quiet, spring-fed waters of Ril Lake, this is Muskoka in its purest form - exceptional privacy, expansive, and deeply connected to nature. Spanning on 3 acres, with 300 feet of shoreline, the setting is both timeless and untouched. Framed by granite, mature forest, and long uninterrupted lake views. Mornings arrive slowly here, with a stillness that's increasingly rare to find. Moments from Baysville, the setting offers a seamless balance of seclusion and refined convenience. The approach is understated by design - tucked naturally into its surroundings, allowing the landscape to take the lead. Inside, a curated material palette and elevated finishes create a sense of quiet sophistication. Leathered marble surfaces, a fully integrated Fisher & Paykel kitchen, and a statement Bertazzoni double oven range anchor the space without distraction. The living areas are designed for presence, not performance - anchored by the warmth of a wood burning fireplace and floor to ceiling views of the lake beyond. A Muskoka room enclosed with Weatherwall windows extends the seasons and becomes a natural gathering place from early spring through late fall. A hair below 3000sqft, five bedrooms and four bathrooms offer space for both family and guests, including a primary suite positioned to capture first light - where each day begins with the lake and the sunrise. All day summer sun. From sunrise to nightfall, this is Muskoka - exactly as it should be.**
